Suzanne Riedel is an international speaker and practitioner and teacher of Christian Science healing, from Denver, CO. Immediately healed in an emergency in college, she found a closeness to God she'd been searching for which radically altered her view of spiritual possibilities. As a teacher for 20 years and a mother raising five children, she and her husband relied on Christian Science to heal everything from broken bones to contagion, finding the practicality of understanding God's influence in their lives. Ms. Riedel is a member of The Christian Science Board of Lectureship.
